The image features a repeating pattern of three-dimensional cubes. Each cube is composed of two shades of light green: a slightly darker shade for the top and side faces, and a lighter shade for the bottom face. The cubes are arranged in a staggered grid, creating a complex geometric tessellation. In the upper-middle portion of the image, the word "CLUBS" is printed in a large, bold, black, sans-serif font. The text is slightly tilted and appears to be floating above or attached to the cubes, with some of the cube's edges visible behind the letters.

The background of the image is a complex geometric pattern. It consists of a grid of squares, some of which are shaded in a light gray color. Overlaid on this grid are numerous thin, black lines that radiate from a central point, creating a sense of depth and perspective. These lines appear to be the edges of a series of overlapping, three-dimensional rectangular blocks or planes. The overall effect is a dynamic, architectural composition that suggests a modern, minimalist aesthetic.
